

# **Rebeka RMOUTILOVÁ**

Address: Sojovická 392/60  
Lysá nad Labem 289 22  
Czech Republic  
E-mail: vejnaror@natur.cuni.cz

## **EDUCATION**

***From 2016 Joint PhD studies at the University of Bordeaux,  
Laboratory PACEA***

Thesis: Reconstruction of human coxal bones from the Late Pleistocene: revision and palaeobiological interpretations

***From 2015 PhD studies at Charles University in Prague, Faculty of Science***

Field: Anthropology and human genetics

Thesis: Reconstruction of fragmentary skeletal material for the application in bioarchaeology and forensic anthropology

***2013 – 2015 Master studies at Charles University in Prague, Faculty of Science***

Field: Anthropology and human genetics

Thesis: Shape and size of the auricular surface of human coxal bone: sexual dimorphism and evolutionary aspects

***2014 – 2015 Study stay ERASMUS at University of Bordeaux (1 semester)***

Passed exams from three educational modules concerning palaeoanthropology and parietal art

***2010 – 2013 Bachelor studies at Charles University in Prague, Faculty of Science***

Field: Biology (final exams from molecular biology)

Thesis: Deficit of children skeletal remains in European cemeteries

***2002 – 2010 High school in Nymburk***

## **GRANTS & SCHOLARSHIP**

***From 2017 Grant project GAUK (1088217) "Reconstruction of fossil hominin pelvis from the Late Pleistocene: palaeobiological and functional interpretations" (Charles University Grant Agency)***

***Spring 2018 Study stay in Tel Aviv (study of Pleistocene pelvic remains from Israel) supported by Irene Levi Sala CARE Foundation***

## **SKILLS**

### **Languages**

English: level B2

French: level B1/B2

### **Technical skills**

3D scanning, 3D models processing, segmentation of CT scans, geometric morphometrics (GM), landmark & semilandmark methods, fossil reconstruction, missing data computation, statistical analysis.

## PRACTICAL EXPERIENCE

---

Study of La Ferrassie 1 and La Chapelle-aux-Saints pelvical remains in Musée de l'Homme (Paris, February 2017).

Study of Regourdou 1 pelvis in the Musée National de Préhistoire (Les Eyzies-de-Tayac, November 2016).

Popularization of scientific research, Faculty of Science, Charles University.

Computerization of philosophical texts for the Institute of Philosophy, Czech Academy of Sciences.

Participation in the archaeological excavation in Mikulčice in the summer 2014 (Middle Ages).

Participation in the archaeological excavation in Chotýš in the summer 2013 (Neolithic).

## PUBLICATIONS

---

**Rmoutilová R.**, Dupej J., Velemínská J., Brůžek J., 2017. Geometric morphometric and traditional methods for sex assessment using the posterior ilium. *Legal Medicine*, 26:52–61.

**Rmoutilová R.**, Maureille B., Meyer V., Couture-Veschambre C., Gómez-Olivencia A., Holliday T., Velemínská J., Brůžek J., 2017. First glimpse at the asymmetry of Neandertal sacrum Regourdou 1 (Dordogne, France). *Slovenská antropológia* (in Czech).

## CONFERENCE PRESENTATIONS

---

### Oral communications

**Rmoutilová R.**, Guyomarc'h P., Velemínský P., Brůžek J., 2017. Patřila magdalénská lebka ze Zlatého koně ženě nebo muži? *Antropologické dny v Olomouci*.

**Rmoutilová R.**, Guyomarc'h P., Velemínský P., Velemínská J., Brůžek J., 2017. Reconstruction virtuelle du crâne Magdalénien de Zlatý kůň (République tchèque). *Les 1842èmes journées de la Société d'Anthropologie de Paris*, France.

**Rmoutilová R.**, Maureille B., Velemínská J., Couture Ch., Meyer V., Brůžek J., 2016. Neanderthal skeleton Regourdou 1 (Montignac-sur-Vézère, Dordogne, France): asymmetry functional or pathological? *Anthropological Meeting*. Hlohovec, Slovakia.

### Posters

Brůžek J., Dupej J., Kotěrová A., **Rmoutilová R.**, Velemínská J. 2017. Use of the structured light scanner David SLS-2 for recording auricular surface in 3D and implications for age at death assessment. *AAPA conference*. New Orleans, USA.
