

You are kindly invited to information event  
organised by the Project Management Department and the Library of Chemical Sciences  
of the Faculty of Science, Charles University

## Horizon 2020: Opportunities for (future) postdocs

If any participants who don't speak Czech register, the event will be held in English.  
The event is primarily intended for students or researchers from the Faculty of Science, Charles University.

**When:** Wednesday **15 May 2019** (15:00-17:00)

**Where:** **Library of Chemical Sciences**, Hlavova 8

**Registration:** <https://forms.gle/WVmWiA788hVbhhaW8>

The event will present opportunities in the European programme Horizon 2020 for **PhD holders** who want to gain experience on a **postdoc research stay** that is connected with **moving from one country to another:**

- Marie Skłodowska-Curie Individual Fellowships – MSCA-IF (types of grants, eligibility criteria),
- searching for opportunities in EURAXESS Jobs database and others.

Second part of the event will focus on **preparation of MSCA-IF application** (application structure and practical tips for writing, available support etc.).

### Target audience:

- Advanced **doctoral students** and **postdocs** who want to gain experience abroad.
- Research **group leaders** (current or future) who want to attract postdocs from abroad.
- Anyone else who is interested.

**Speaker:** Ludmila Součková (Müllerová)  
contact point for Horizon 2020 at the Faculty of Science.
